At Wall and Wall Attorneys at Law P.C., we treat every person who enters our office seeking a marriage annulment like we would a member of our own family. ***We understand that the dissolution of a marriage is difficult by any means***, whether it is an annulment or a divorce. ***This is why we do everything in our power to make our clients as comfortable as we can throughout the process.***

What is an Annulment?

You might have asked yourself, what is an annulment? You may also have questions regarding “the difference between annulment and divorce”. In terms of ***annulment vs divorce***, When a court finds that ***a marriage is invalid***, a legal decree is issued. This is what is known as an annulment. ***Once an annulment is issued, it is like the marriage never happened***. When a divorce is granted, the marriage has been deemed as valid and is recognized by the court.

Grounds for Annulment

In order for an annulment to be pursued there are certain situations that are considered grounds for annulment. They include:

- One or both spouses are were *impaired through the use of alcohol or drugs* when

they got married

- The husband, wife or both were *already a registered domestic partner of someone else*, or they were married to someone else during the time the marriage occurred
- The marriage is the result of an *incestuous relationship* both are one of the spouses was not of legal age to marry at the time of the marriage
- One of the spouses *defrauded the other* and it resulted in the marriage
- One of the parties was *forced* into the marriage
- One of the parties was *physically or mentally incapacitated*

How to Get an Annulment

Getting an annulment isn't something that that can be taken lightly, and it is not something you should consider trying to take care of on your own. A good family law or divorce attorney understands how to annul a marriage because they understand **how to build a strong enough case to compel a judge to get one granted.**

In regards to the annulment time frame, they can take as little as four to six weeks. They can also take as long as a few months to a year depending on how complicated your case is.
