## Why Choose Murray, Utah Divorce Attorneys at Wall & Wall Attorneys at Law

---

### Military Discounts

---

We respect and value our clients in the service. To show our appreciation to them, we offer military discounts.

### DIY Programs

---

For our clients that aren't financially able to get a divorce attorney, we offer guidance and professional advice in just one appointment which is more affordable. In the appointment, they learn how best to go about the case and some background information that will help yield the desired results and reduce the pressure on them. [Our DIY services](#) include but are not limited to; document preparation, establishing the crucial matters in a case, helping clients with information on pertinent laws, organizing evidence, teaching clients how to use evidence to their advantage, reviewing pleadings, going through scenarios which may arise during the divorce proceedings and advising clients on how to deal with them, teaching clients to propose and analyze settlement offers, [preparing clients for mediation and coming up with a case strategy for our clients.](#)

### Customer-Relations and Communication

---

We realize that proper communication is the foundation for a good working relationship with our clients. Our lawyers are able to communicate clearly with our customers to establish their concerns and how best to solve them. ***Our services are in English and Spanish.*** For clients who speak other languages, ***we offer interpreter services.*** They just need to give us notice in advance. We also use our communication skills to communicate with the spouses of our clients in attempt to come up with settlements that our clients are comfortable with. ***Even in the event of major crisis, our lawyers are able to negotiate calmly and effectively.***

### Experience

---

Experience often comes with more knowledge and development of new skills. ***Our attorneys have over 190 years of combined experience in divorce and family law related issues.*** All of our attorneys are not only experienced but also qualified for their

jobs. Because of their long time in the profession, they have developed great skills in case-building and negotiation. This makes them able to deal with complex and high conflict issues effectively. Even when one option fails, they always have alternative plans.

## Affordability

---

***Our charges are professional and affordable.*** We are divorce attorneys in Murray, Utah that believe our clients should not have to stretch their budgets too far just to get good legal representation in Utah.

## Accessibility

---

We understand that you need a Murray, Utah divorce and family law attorney that you can easily reach when you need to. Even though we handle many cases, we always make sure that ***we respond to all our clients' needs as fast as possible.***

## Professionalism

---

Our attorneys maintain high levels of professionalism even in times of high pressure. We realize that divorce can be a painful and emotional process for clients. We, therefore, try to be kind and respectful. This includes keeping time, explaining issues clearly and using polite language.

## Perspective

---

We try to look at cases objectively. We weigh the strengths and weaknesses of a case before advising our clients. ***We are able to advise clients on the best course of action*** while still considering their interests. We do not lie to clients just to lure them or give false hope. ***We are upfront about the situation at hand and help clients understand what to prepare for.***
