You will not feel alone when you contact our [Utah personal injury law firm](#). Our family-owned law office was established in 1973. Our personal injury lawyers have more than 190 years of combined legal experience. We will take over your legal concerns so you can concentrate on your physical health. Our personal injury attorneys will explain all of the different legal issues and how we aim to obtain compensation for the pain and suffering you have experienced.

Our [vehicle accident attorney](#) is equipped to represent clients injured in accidents involving:

- Bicycles
- Pedestrians
- Hit and runs
- Cars and autos
- Motorcycles and sport bikes
- SUV (sport utility vehicle) rollovers
- 18-wheelers, semi-trucks, and tractor trailers

Accidents involving trucks can be especially deadly due to the heavy weight involved. Many of these "big rig" wrecks are caused by sudden load shifts, oversized loads, speeding, improper signaling, and substance abuse by the drivers.

In crashes that are due to tire tread separation or defective air bags, the manufacturer of

that vehicle component may be held accountable for damages in a separate product liability lawsuit.
